- **Launch on Peerplays mainnet will use Bitcoin**

- What is a Betting Exchange?

Sportsbook

Betting Exchange

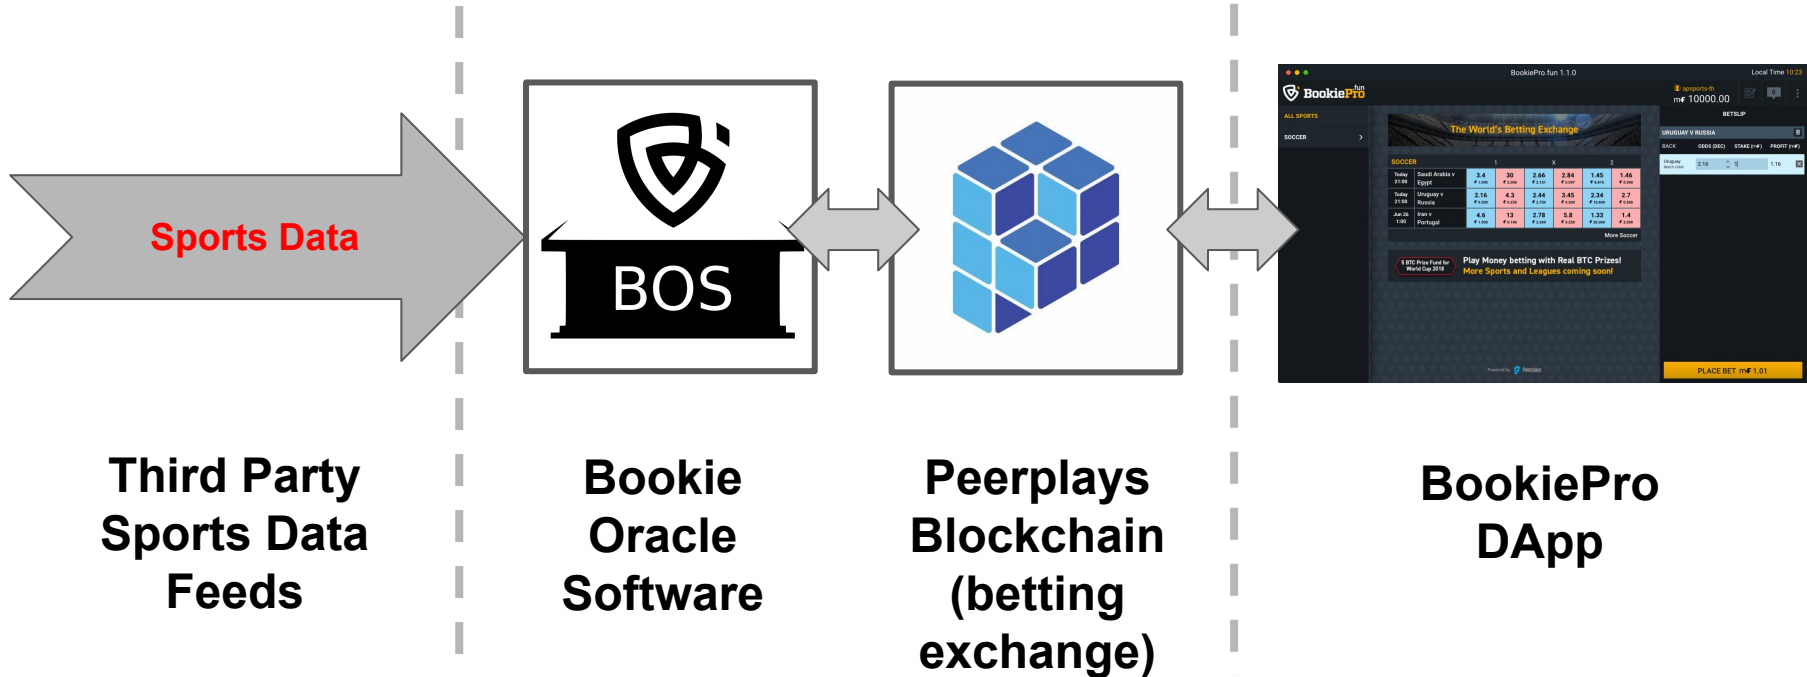

- **BookiePro is a betting exchange:**
 - **P2P platform that matches bets between end users**
 - **Holds user funds, pays to winners**
 - **No 'house'**
 - **Platform fee ('commission')**
 - **Very similar to a financial exchange**
 - **BitShares a great technology match**

BookiePro

- **BookiePro: Overview**

Three areas of decentralization:
